

**INVESTMENT MANDATE:** The mandate of the Satrix 40 portfolio is to track as closely as possible the value of the FTSE/JSE Top 40 index. Satrix 40 is an index tracking fund, registered as a Collective Investment Scheme and is also listed on the JSE Securities Exchange as an Exchange Traded Fund. The Satrix 40 provides both the price performance of the FTSE/JSE Top 40 index as well as paying out each quarter all the dividends received from the 40 companies in this index, less the net costs of running the portfolio. In order to reduce costs and minimise tracking error, the Satrix 40 Trust engages in scrip lending activities. Manufactured (taxable) dividends could arise from such transactions.
